Crossroads Mission Center is providing a food distribution program for children in King William County from June 15 — August 25. We are asking organizations in the community to set up a collection box for items for “2-Day Bags” food donations. 2-Day bags provide 4 meals for 2 days for 1 child. This is important when children are out of school and do not have access to good nutrition. When the box gets full—give us a call or send an email: **804-769-2139** or **crossroadsmissioncenter@gmail.com**. **Collections begin April 14. Monetary donations received will be used to purchase food.**
